

LaiKing: Specialist in jewellery casting

萊金珠寶: 首飾鑄造專家

LaiKing Jewelry Technology Co Ltd, with over 20 years' experience, specialises in producing consumables of lost wax casting, equipment for precision casting and other products. It is an integrated enterprise devoted to the research, development, production and sale of equipment as well as technological support. Customer visits and input are always welcomed.

The company's products, developed and produced in-house, include LaiKing-series metal melting machines, LaiKing-series vacuum pressurizing casters, LaiKing-series continuous casters and graphite crucible, ceramic crucible, graphite molds, quartz rod and other fittings. Its products can be used in jewellery-making, clock and watch manufacturing, metallurgy and electronics, among others.

LaiKing has its own R&D laboratory that keeps developing more advanced, elegant and practical high-quality products. In addition, the company has established the strictest quality inspection standards for the quality inspection laboratory, and products are required to meet those standards in the entire process, from the raw materials to the finished product processing and packing. LaiKing believes in the motto, "No Best, Only Better." It treasures its customers and communicates with them to achieve win-win situations. ■

LAIKING Continuous Casters

萊金珠寶科技有限公司位於江蘇省丹陽市，佔地面積8000平方米，是一家擁有20多年生產經驗的綜合性企業，專業生產失蠟鑄造耗材和精密鑄造用設備等產品。與此同時，我司也致力於設備的研發、生產、銷售及技術支持。

我們公司的產品主要有自主研發生產的LaiKing系列熔金機、LaiKing系列真空加壓鑄造機、LaiKing系列連續鑄造機及石墨坩堝、石英坩堝、石墨模具、石英棒及配件等。公司產品可廣泛應用於珠寶加工、鐘錶、冶金、電子等行業。

公司的研發試驗室是由10名專業研發人員組成的研發部門，為公司開發更加先進、美觀、實用的高質量產品，產品從原料到加工成品再到包裝都必須通過質量檢驗室的嚴格檢驗。我們堅信“沒有最好，只有更好”。我們珍惜和注重與客戶的溝通，為達到雙贏目的而努力。■
